Subject: MICROMEDEX Conversion Information

WELCOME!

Thank you for your recent conversion of Thomson MICROMEDEX® Healthcare Series! With so many possible scenarios - it's next to impossible to predict what kind of clinical information will be needed at any moment of any day. That's why the MICROMEDEX® Healthcare Series Online is unsurpassed in terms of scope and reliability. And with a new interface featuring easier navigation, clinicians can quickly find the answers they need.

Getting Started

Your access to the Healthcare Series will be active until **1/14/07**.

Step 1: Accessing Healthcare Series

Access your subscription by pointing your browser to <http://healthcare.thomsonhc.com>.

Username: westma

Password: mdx

Support

If you have questions or require additional information, contact MICROMEDEX Technical Support at www.micromedex.com/support/request/.

Need training? Visit our new Training Web Site! <http://www.micromedex.com/support/training> to access our FREE training resources, review course descriptions and summaries, and register for Live or Recorded Online courses today!

Healthcare Series Customer Video - this video introduces you to the Micromedex Professional Services & Technical Support teams so they can help you get the most out of your subscription! <http://www.brainshark.com/micromedex/vu?pi=123677>

To watch the video you will need: **Macromedia Flash Player 5.x or higher** (<http://www.macromedia.com/go/getflashplayerbutton>), IE 5.0 or higher, high-speed Internet access, computer speakers, and your Browser ActiveX and Browser Scripting controls should be enabled.

Best Regards,

Laura Reeves
